the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1998 (Department of Health 1999). The number of people employed in the health sector has increased by 1.2 million, from 2.2 million in 1980 to 3.4 million in 1998.

There is a growing emphasis on the need to improve the quality of care and services provided by the public sector. This has led to a number of initiatives, including the introduction of the Health Service Act 1990, the Health Service Act 1997, and the Health Service Act 1999. These acts have introduced a number of measures to improve the quality of care and services, including the introduction of the Health Service Act 1990, the Health Service Act 1997, and the Health Service Act 1999.

The Health Service Act 1990 introduced a number of measures to improve the quality of care and services, including the introduction of the Health Service Act 1990, the Health Service Act 1997, and the Health Service Act 1999. These acts have introduced a number of measures to improve the quality of care and services, including the introduction of the Health Service Act 1990, the Health Service Act 1997, and the Health Service Act 1999.
